Mr. John Sampson
1065 Jefferson St., South
Apartment 10
Hutchinson, Minnesota

Dear Mr. Sampson:

In reply to your letter, it undoubtedly was WHVF you heard. We're on all night Fridays and Saturdays and at that time of morning the announcer does switch over to "Old Time Music".

As a class IV station the antenna pattern is nominally non-directional.

Thanks for writing.

Sincerely,

Hilding V. Foreen

Hilding V. Foreen,
President
